Zodiac has been in business now for 11 years and we are recognized as a pro-active and forward thinking training provider.

During that period we have tried various telemarketing companies to increase our employer engagement for a variety of contracts. We have not explored other telemarketing support since working with DJR.

Over the past eight months Danny's team has provided a flexible, responsive and professional service which has impacted significantly on our apprenticeship and train to gain contracts.

For organizations planning a targeted campaign to increase employer engagement and boost learner numbers, DJR is definitely the company to call for an outsourced, risk free telemarketing solution.
